A. Motions to Value Collateral (other than claims protected from "cramdown" by 11 U.S.C. § 1322(b)(2) or by the final paragraph of 11 U.S.C. § 1325(a)). Unless a written objection is timely filed with the Court, the Court may grant the debtor(s)' motion to value collateral as set forth herein.

That value will be paid with interest as provided in sub-section D of this section. You must refer to section 3(D) below to determine the interest rate, monthly payment and estimated term of repayment of any "crammed down" loan. Confirmation of the Plan shall terminate the automatic stay as to the interest of the debtor(s) and the estate in the collateral.

8. Treatment and Payment of Claims.

- All creditors must timely file a proof of claim to receive any payment from the Trustee.
- If a claim is scheduled as unsecured and the creditor files a claim alleging the claim is secured but does not timely object to confirmation of the Plan, the creditor may be treated as unsecured for purposes of distribution under the Plan. This paragraph does not limit the right of the creditor to enforce its lien, to the extent not avoided or provided for in this case, after the debtor(s) receive a discharge.
- If a claim is listed in the Plan as secured and the creditor files a proof of claim alleging the claim is unsecured, the creditor will be treated as unsecured for purposes of distribution under the Plan.
- The Trustee may adjust the monthly disbursement amount as needed to pay an allowed secured claim in full.

9. Vesting of Property of the Estate. Property of the estate shall revert in the debtor(s) upon confirmation of the Plan. Notwithstanding such vesting, the debtor(s) may not sell, refinance, encumber real property or enter into a mortgage loan modification without approval of the Court after notice to the Trustee, any creditor who has filed a request for notice and other creditors to the extent required by the Local Rules of this Court.

10. Incurrence of indebtedness. The debtor(s) shall not voluntarily incur additional indebtedness exceeding the cumulative total of \$5,000 principal amount during the term of this Plan, either unsecured or secured against personal property, except upon approval of the Court after notice to the Trustee, any creditor who has filed a request for notice, and other creditors to the extent required by the Local Rules of this Court.

11. Other provisions of this Plan: The principal source of funding for this plan will be the sale of some of the Debtor's real estate. The Debtor will negotiate with the remainder owner of the property at 739 Lyons Lane for the sale of her life interest. In addition, the Debtor has listed the 7 parcels of real estate on 4th and 5th Sts., SW, Charlottesville, Virginia for sale for \$1,450,000.00. Any proposed contract will be presented to the Court for approval. From the proceeds of sale, after payment of the costs of sale, including realtors' commissions, real estate taxes, and judgment liens of record (B B & T and Meriwether Mowing), the Debtor will provide sufficient funds, expected to total approximately \$386,000.00, to pay all creditors, including the Trustee's commission, in full, with the exception of the principal balances owed to Seterus and the Postal Federal Credit Union. The arrears owed to Seterus will be paid from these funds, but the monthly payments to Seterus and the Postal Credit Union will continue to be made by the Debtor. It is expected that such sales will be completed by the end of 2017.
